Att: Mr Graeme Ingall

Dear Sir,

Firstly, I would like to thank you again for your previous sponsorship of the 5 Lands Walk and gratefully acknowledge your participation in the Community Fair in Hunter Park at Avoca Beach with the Freemasons information stand, where over 20,000 people passed through and celebrated community. Your logo featured prominently on all our advertising flyers, posters and advertisements across the entire Central Coast.

Over the past 14 years, the 5 Lands Walk has attracted over 250,000 participants to enjoy the scenic beauty, arts, diverse cultures and people, native and recent, of the Central Coast.

I am writing to seek your further Platinum Sponsorship of the 5 Lands Walk, specifically our spectacular Opening and Closing Ceremonies. These local events are a celebration of creativity, community and connection. Featuring the 50-piece Ephemera Choir and some of the Coast's finest musicians, these landmark annual events are all about connecting people to people and people to place.

With an award-winning line up of multi-cultural and indigenous performers these immersive outdoor theatrical events are the cultural highlights of the 5 Lands Walk.

Avoca Beach maestro, Dr Yantra de Vilder, has created and orchestrated a musical celebration of the 5 Lands Walk featuring internationally acclaimed flautist, Jane Rutter; Indigenous artist, Gavi Duncan; the Ephemera Choir and Ensemble as well as other Indigenous performers and representatives of the multicultural communities of the Central Coast.

Yantra is also a multi award-winning film producer and, during the 2020 COVID-19 pandemic when we were unable to go ahead with the 5 Lands Walk, used her creative expression as Artistic Director to create new films that keep the faith to uphold our mantra of connecting people to people and people to place, as we move forward into a shared future together, bound by culture and spirituality, led by our Indigenous and multi-cultural collaborators.

The 5 Lands Walk Inc acknowledges that the land on which we operate and function is the traditional land of the Darkinyung people. We pay our respects to the Elders, both past and present and acknowledge the Youth, the future leaders, in whose hands we hold our hope for a reconciled future.

Yantra said: *"I am honoured to be on the ancestral lands of the Darkinjung people. I acknowledge the First Australians as the traditional custodians of the continent, whose culture is among the oldest living cultures in human history."*

With the support of Freemasons on the Central Coast we would be able to continue to grow and evolve the artistic expression and share it with our wider community.

The sponsorship cost is \$5000 plus GST and we hope you can all join us for a spectacular multi-media Opening Ceremony Friday 25 June 5.00pm at Avoca Beach.

Your Platinum Sponsorship will mean that your logo will be promoted across all 5 Lands activities and we are happy to meet with you to discuss any further considerations.

Yours sincerely,

Pauline Wright

Appendix 'E':

Good Morning,

We are OzHands.com.au and we would like to support and promote your cause.

Who are OzHands? - <https://www.OzHands.com.au>

OzHands is the first ever export oriented online shopping platform for "Made in Australia" products. Basically, we created a platform which promotes Australian Made products to International export market. We also provide free support to local businesses, such as providing FREE online guest contact tracing register and more than 50,000 users have already used our online register. We are starting to promote non-profit organisations like yours through our platform. We have about 12,000 website visitors per month on average.

What are we offering?

We would like to promote your organisation by putting a rotating banner on our frontpage and creating a dedicated page with details of your organisation. All of these are free for you. You will be promoted not only to an Australian Audience but also internationally.

What are we expecting from you?

To create confidence on visitors' mind that you and OzHands are in supporting relationship, all we need from you is to place OzHands logo and website address in your website (on any page) as a supporter to your cause. It would be very risky for us if we claim ourselves as your supporter, but no trace of it in your website. It would be greatly appreciated if you could write a short paragraph about Ozhands in your website, but it is not a requirement.

Please let us know your thoughts.

Thank you.
