District 21 – Central Coast

Helping to grow our Young People!

FotCC Directors: James Noble, Graeme Ingall, David Levesque and Chris Matthews with staff from The Entrance Preschool Kindergarten Centre.

Freemasons on the Central Coast (FotCC) have financed provision of more than \$5,600 in playground equipment to The Entrance Preschool Kindergarten Centre which has served the local community for over 35 years. Directors of FotCC attended the Centre on Wednesday, 20 September to make this generous donation.

The Preschool is fully booked with approximately 39 children attending each day.

With the addition of this new equipment in an attractive, landscaped front yard, the children now have a wonderfully integrated playground featuring tables and chairs for morning tea plus stimulating activity apparatus such as exercise bars. All equipment is specially designed to provide a sturdy platform for safe activities, and is beautifully constructed from timber.
